

## *The Clark and Son BCA Tuesday 8-Ball League*

### *Notes for the week of 4/4/00*

---

We would like to thank everyone for making this a great season. There were absolutely no problems with any team or any player. This was an absolute delight, not knowing what to expect as new league operators.

Please tell your friends that play on other leagues to play in our State Event! We would like to grow the league so any good words you pass along would be greatly appreciated.

The good news is the league has ended and as hoped we were successful in making this a 100% payback league. All expenses associated with operating the league was paid from the bar sponsor fees.

Now for the bad news...

We wish we could blame it on computer error, but unfortunately, it was operator error. There were several corrections on the final standings.

- 1). Homeplate 2 was entered in the team score as Homeplate 1 - week of 1/4/00, this also gave Homeplate 1 two scores for that same week.
- 2). Whitey's score for the week of 11/2/99 was placed under Fiddlestix 2, so Fiddlestix 2 had two scores for that week.

The team effected is Homeplate 1 which drops from 8th to 9th with the point reduction.

Terribly sorry for the mistake.

We hope you have a great summer and return next year to what will surely be a bigger and better two division league. Please attend the players meeting in August where we will discuss possible format and day of play changes and additions.

Missy and Dan
